Place of miracles

We live in a world in which the demand for change governs a quest for progress that often treads unthinkingly on its heritage. There are places though, that still exist – wide and untouched expanses of an unchanged world – as a reminder of ageless wonder and beauty. And it was to play a part in preserving the quiet majesty of these places that Singita was created.

Luke Butler

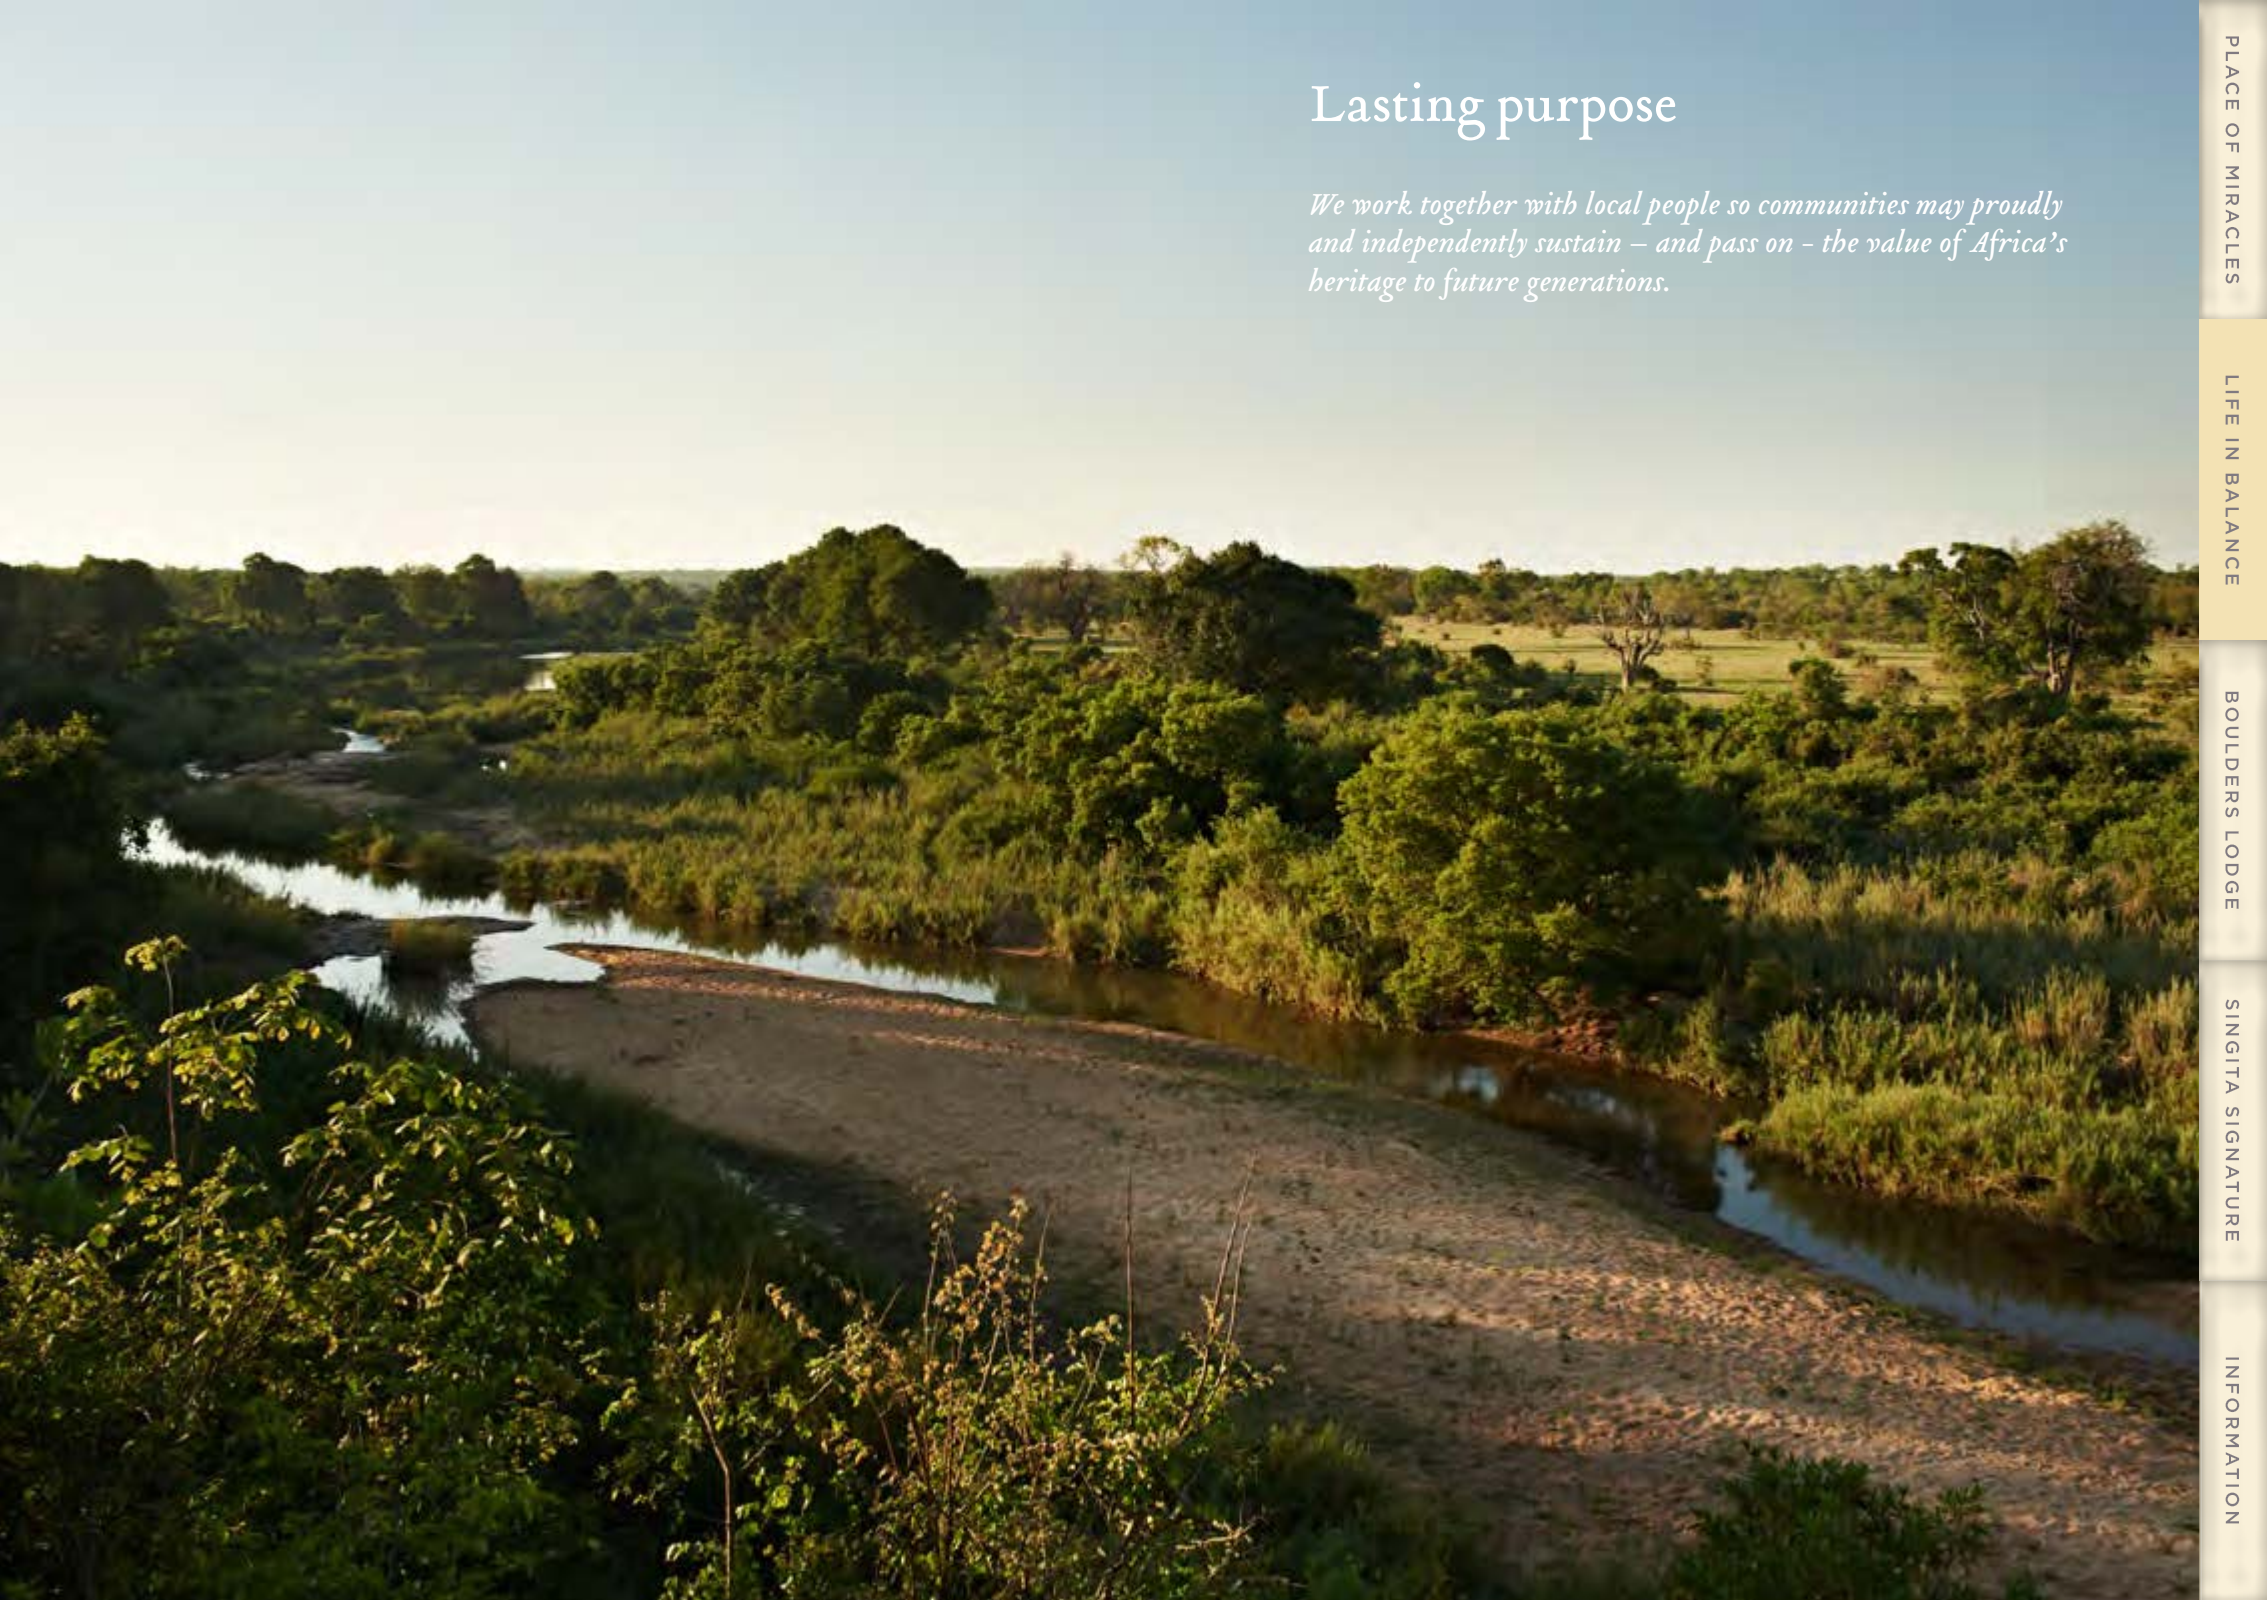

Life in balance

Singita, 'place of miracles' is inspired by a philosophy of keeping life in balance. Our passion is founded upon three fundamental pillars of modern conservation, namely: preserving iconic spaces; protecting the wildlife that inhabits those spaces; and collaborating with neighbouring communities.

Lasting purpose

We work together with local people so communities may proudly and independently sustain – and pass on – the value of Africa's heritage to future generations.

Preservation and protection

Our endeavour is to preserve and protect the wildlife that exists in each unique region.

Upliftment

Partnering with people living in and around the lodges is an important part of our focus to promote education and independence so to create sustainability within local communities.

Free flowing

Singita Boulders Lodge settled along the banks of the Sand River in the Sabi Sand Reserve, is an experience of spacious freedom and the raw beauty of nature.

Location of Singita Boulders Lodge [B]

Singita Boulders Lodge is set along the banks of the Sand River in a privately owned, 45,000 acre game reserve in the Sabi Sand Reserve adjacent to the Kruger National Park. In essence, the lodge is a celebration of the tranquillity, space and light, which flows throughout every area. Inspired by a boulder buttress this lodge is an unpretentious place where organic interiors integrate seamlessly with the African rawness of the wilderness terrain. Whether through walls of glass or the open-air areas, the surrounding landscape and animals may be glimpsed from every angle, making for a primal and wild adventure.

What you need to know

Best time to go on Safari

Southern Africa is a year-round destination. Traditionally the dry winter months (April to October) are best for game viewing, due to the shorter grass, lack of foliage and the absence of water which forces the game to concentrate around the remaining sources of drinking water. Annual rainfall, usually in the form of short afternoon thunder showers that clear up within an hour, occur from December to March. Many species give birth to their young around the start of the rains, so the bush is alive with newborn animals.

Seasonal Temperatures

Temperatures range from:			
Spring (Sept - Nov)	Average Minimum	18°C	64°F
	Average Maximum	30°C	86°F
Summer (Dec - Feb)	Average Minimum	23°C	73°F
	Average Maximum	35°C	95°F
Autumn (March - May)	Average Minimum	12°C	54°F
	Average Maximum	26°C	79°F
Winter (June - Aug)	Average Minimum	9°C	48°F
	Average Maximum	22°C	72°F

The above temperatures are the monthly average. The absolute temperatures differ from these temperatures.

Your Packing Guide

Cotton clothing in neutral colours is recommended for game drives and bush walks. It is advisable to avoid white and dark colours as they tend to attract certain bugs. No formal wear is required at any of our lodges.

Seasons dictate comfort and comfort dictates clothing, so we recommend that you pack as follows:

- October – April: Casual summer clothes (shorts and cool shirts) and a warm jersey/sweater for the cooler morning and evening temperatures
- May – September: Casual light clothing and a very warm parka/jacket for the extremely cold mornings and nights

It is a good idea to bring along the following items for a carefree safari:

- Comfortable walking shoes/track shoes/hiking boots for walks; and sandals to wear around the lodge
- Swimming costume/bathing suits, sun block, sun hat, sunglasses, lip balm, mosquito repellent (The latter two items are provided but you are welcome to bring along your favourite brand)
- Video camera, camera, binoculars, spare memory cards

Please note that in the event of rain during a game drive, waterproof ponchos will be provided.
